THE FACED TOTE BAG
The first tote bag was designed by the artist Jack McLo. The bag was made of a recycled material and was used to carry books and other items.

NUMBER PRINT TOTE
The second tote bag was designed by the artist Jack McLo. The bag was made of a recycled material and was used to carry books and other items.

GROCER'S SAC

DE: Tabitha Oeler, Sprayfun

Inspired by the traditional grocery and Canadian First Nations artifacts, the designer assembled hand crocheted sacs with various carrying vessels: birch bark baskets, antlers and more.
